Dear Vatsal,

I wanted to congratulate you on your admission into our **Business Analytics - MS** program at the Jindal School. You made it! This is a big achievement and you should be proud.

The next step is to log into your [Galaxy account](#) and accept your admission, and I hope you accept it as soon as possible. Remember, after accepting your admission, there are a few more things to do to finalize the process.

I would also encourage you to explore our Dean's Excellence Scholarships, each valued at \$1,000. Earning this competitive, merit-based scholarship could ultimately reduce your tuition by 50% if you live outside the state of Texas. If you have already applied, you can [check your status](#).

[Accept Admission](#)

Remember, if you have any questions or need to know more about next steps, please contact me. I am happy to help.

Sincerely,

Gaurav Shekhar
